

WESTFORD RECYCLING COMMISSION

WESTFORDMA.GOV/RECYCLING

The Mission of the Westford Recycling Commission (new 4/2025) is:

To support the Town’s climate action and sustainability goals while reducing the Town’s trash and recycling costs. Educate residents to:

- **Re-think** their buying habits to reduce waste at the source.
 - **Reuse and Repurpose** items, donating what is no longer needed.
 - **Rot (compost) and Recycle** as much as possible through curbside and community programs.
- And organize events to provide residents with practical opportunities to help achieve these goals.
