

WESTFORD HEALTH DEPARTMENT POLICY
ON
MOBILE FOOD TRUCKS THAT HAVE A "BASE OF OPERATIONS" IN WESTFORD

The following is a requirement of anyone who applies to operate a mobile food operation or "food truck" in Westford.

- All mobile food operations will need a base of operations which complies with 105 CMR 590.000
- All mobile food operations will need an Annual Mobile Food Permit
- At least one person working on the food truck needs to be a Certified Food Protection Manager.
- A copy of a valid Hawkers and Peddlers license is on file.
- A current copy of the menu.
- A sign off from the Fire Department if there is a hood and/or any propane tanks on the ground.

All operators must comply with all local and state regulations and the FDA 2017 Food Code. The permit application and fees must be paid and received two weeks prior to any event. Any Temporary Food Permit Application that is not submitted to the Health Department Office 14 days prior to the event may be charged a double permit fee. In-person inspections will be conducted.
