

Please Join Us to Learn about.... Westford's Lakes and Ponds

Please join Westford's Healthy Lakes & Ponds Collaborative on Thursday evening November 18th, 2021 from 6:30pm to 8:30 PM at the Nabnasset Lake Country Club (47 Oak Hill Road, Westford) for an informative session focusing on Westford's Lakes and Ponds.

The session will focus on the pre/post survey assessments of the lakes and ponds. Information will be presented on the long term plans, goals, invasive plants, algae blooms, treatments, and prevention education. (No registration required).

Speakers:

- Dominic Meringolo, Nutrient Remediation Project Manager and Senior Environmental Engineer from Solitude Lake Management.
- Matt Ladewig, CLM. At ESS Group, Inc.

Additional information on the Healthy Lakes & Ponds Collaborative, as well as other ways you can be part of the solution to deteriorating water quality conditions can be found on these helpful websites:
