

November 12, 2021

Dear Parents and Residents,

The Westford Health Department is offering a COVID19 clinic for children 5 to 11 years old. Two doses are needed to complete this series. Pfizer is the vaccine that is being offered at the clinics.

- Parents/Guardians must complete the registration for each child.
- Children should wear clothing conducive to receiving a vaccine shot in the arm.
- Please arrive a few minutes prior to your scheduled time. The process will take about 30 minutes which includes vaccination and observation time.
- No WALKIN's please

Please pre-register your child at the link below for the Pfizer covid-19 clinic for the 5-11 year old's:
