Chapter 138 § 17:

"...may grant one license under the provisions of section twelve for each population unit of one thousand or additional fraction thereof, and, in addition, one such license for each population unit of ten thousand or fraction thereof, over the first twenty-five thousand,,"

"...may grant not more than one license for the sale of wines and malt beverages only, or both under section twelve, for each population unit of five thousand or fraction thereof."

"...may also grant not more than one license under the provisions of section fifteen for each population unit of five thousand or additional fraction thereof..."

"...may also grant not more than one license for the sale of wine and malt beverages only or both under the provisions of section fifteen for each population unit of five thousand or fraction thereof."

"The Local Licensing Authorities of any city or town, except the city of Boston, may make an estimate prior to March the first in any year of any temporary increased resident population in such city or town as of July the tenth following, and one additional license under §15, to be effective from April 1 to November 30 or from April 1 to the following January 15 at the discretion of the local licensing authority, may be granted by said authorities for each unit of five thousand or additional fraction thereof of such population as so estimated..."
