To Whom It May Concern:

The Town of Groton is pleased to write a letter on behalf of Ebrahim Masalehden of Groton, Massachusetts. Mr. Masalehden developed the Monarch Path subdivision located off Gilson Road. The Town's experience has been very positive, and his compliance record is excellent. Mr. Masahledan is willing to work cooperatively with the Town and abutters to resolve construction related matters. Additionally, Mr. Masalhedan has supported a variety of community events and projects including the Groton Dunstable Regional Schools "Page for Peace" and a variety of public safety initiatives.

Very truly yours,

Mark Haddad
