How to Recycle Most Everything

(revised March 2023)

A to Z Guide: Where Can My Items be Reused/Recycled

In addition to the Westford Curbside Recycling program provided to Westford residents, the Westford Recycling Commission has developed this document to list items that cannot be recycled curbside and where we want to provide an alternative to placing items in the trash.

The list of "other ways and methods" to "recycle and reuse" items that should be handled and disposed of properly and/or provided for other uses is listed in alphabetical order. These items are not included in the Westford Curbside Recycling program and please do not leave these items out for curbside recycling pickup. See the Westford Curbside Recycling page (by clicking [HERE](#) or visiting westfordma.gov/recycling) for items that can be left out for the curbside recycling program and follow the recommendations listed below, to keep unnecessary items out of the waste stream and utilize "best-practices or green" methods of disposal.

The Massachusetts Department of Environmental Protection offers additional recycling ideas through their Recyclopedia page accessible at recyclesmartma.org.

We appreciate your support; your thoughts, comments, suggestions are welcome by e-mails us at recycling@westfordma.gov

Please Note: The companies and services listed here are for reference only and are not specifically endorsed by the Westford Recycling Commission.

In some cases, drop-off is by appointment only. Please call the organization for up-to-date information before you recycle your items.

Tip: "control f" will allow you to search the document

Batteries

Westford Recycling Commission

55 Main Street, Westford, MA 01886
www.westfordma.gov/recycling

- **Alkaline:** Alkaline batteries are heavy and there are local programs for recycling them (reducing the town's waste volume and tax \$ spent to incinerate Westford's trash). Note that there is typically a small fee associated with recycling alkaline batteries due to the cost to extract the recyclable components. Local recycling options are:

1. Westford CAT (local TV station), 487 Groton Road (Rte 40), Suite B, Westford, MA, 978-692-7152 – donation requested. Can be dropped off during business hours (Mon-Fri, 10am-4pm) More info here: <https://westfordcat.org/support-us/battery-collection/>

2. Westford's "Electronics and More" Collections held in the Spring and Fall. See the Electronics section of this document for more information (or check the WRC website at westfordma.gov/recycling).

- **Automobile/Tractor/Lead Acid:** Take to **Autozone** - 63 Drum Hill Road, Chelmsford; 978- 453-2300; <https://www.autozone.com/locations/ma/chelmsford/63-drum-hill-rd.html> or **Interstate Battery of Massachusetts** - 86 Progress Ave #3, Tyngsboro (there is a pallet behind the building that is accessible 24x7). (978)-649-5959; <http://www.massachusettsbatteries.com/> or Other auto parts stores also accept batteries. Call the store and ask about their automobile battery recycling policy.

- **Button Type:** Collected at

1. **Ace MacKay Hardware** (Rt 110), 978-692-3346
2. **Ace Hardware** (Rt 40), 978-692-0774
3. **Westford Board of Health**, 978-692- 5509.

- **Laptop Computer Batteries:** Any [Staples](#) store

- Lead-Acid, sealed: - Used by Verizon FIOS box as a backup battery and other uses such as tractor batteries: **Staples** (must weigh less than 11 lbs). Or save for the annual Household Hazardous Waste Collection.

Eyeglasses

Old eyeglasses are collected for reuse by needy individuals. Eyeglasses are cleaned, repaired, and measured to determine prescription. Available glasses are cataloged in a computer database and matched to people with need. Many of the glasses are sent to other countries, as US laws make it difficult to re-dispense a prescription product.

Latex Paint

Latex paint is not considered hazardous waste. Let latex paint dry out or use newspaper, kitty litter, or purchase "Waste Paint Hardener" to absorb liquid, then put in the regular trash. Paint hardener is sold at hardware stores, big-box hardware stores and paint stores. Better yet, buy only enough paint to complete a project.

Lawn Mowers (see Yard Equipment)

Leaves & Grass Clippings (Yard Waste)

Use a mulching mower for light leaf cover that produces clippings that will decompose and fertilize the lawn. Use clippings and leaves as mulch around trees and shrubs. Leaves are nature's own choice for mulch. Many web sites offer tips on how to use clippings as mulch. Leaves may not be burned.

Westford Recycling Commission

55 Main Street, Westford, MA 01886
www.westfordma.gov/recycling

Compost leaves and grass clippings. The resulting compost can be used to fertilize trees, shrubs and gardens. Mattresses and Box Springs (non-useable)

Effective November 1st, 2022, in compliance with Massachusetts State Waste Ban regulations, bulk stickers can no longer be used for mattresses and box springs.

[Tough Stuff Recycling](#) in Fitchburg MA (908-907-0809) accepts and recycles worn out mattresses and box springs of all sizes for drop off or curbside pickup.

Drop-Off: \$30 per item (\$60 for a mattress & box spring set)

- 145 Authority Drive, Fitchburg, MA 01420
- Drop-off hours are 7:30-3:15 Monday-Friday
- Pay onsite or online: <https://order.toughstuffrecycling.com/>

Curbside Pickup: \$55 per item (\$110 for a mattress and box spring set)

- Pay online: <https://order.toughstuffrecycling.com/>
- Mattress bags are required only if there is a possibility the mattress or box spring isn't just worn out but also contaminated.

Important:

- The services above are intended for mattresses that are worn out and unfit for donation but are recyclable. They may have broken springs, damaged fabric, small dry stains, but the fabric and metal components can be recycled.
- Mattresses and box springs that are contaminated (with bed bugs, biological fluids, mold/mildew) cannot be recycled. They can still be dropped off at Tough Stuff Recycling for \$60 per item but each contaminated item must be enclosed fully in a plastic mattress bag to ensure safety during transport and drop off. These items will be safely disposed of in compliance with state regulations.
- An alternative option for contaminated mattresses and box springs is a private junk hauler (see Junk section for options).

Collection" events which take place twice a year. Please see our website for the schedule and details.

Tires

- Check with tire installer/vendor about recycling policy when replacing or purchasing new tires. This is the best time to recycle.
- **Sullivan Tires**, 426 Littleton Rd, Westford, MA, (978) 486-4351, \$4/ tire if not on the rim, \$9/tire if still on the rim
- **Central Massachusetts Mosquito Control Project**: In recognition

of Earth Day 2010, a tire collection and recycling program has been launched as a value-added service to member communities. This "source reduction" technique of the Integrated Pest Management Program (IPM) aims to reduce breeding habitats for mosquitoes, prevent the transport of eggs/larvae/pupae, and impede the potential introduction of species into new areas. Tires accepted for this program will be sent to an approved facility for recycling or disposal at no additional cost to residents or member cities or towns. For the latest information on this collection project: www.cmmcp.org/tires.htm or call Tim Deschamps at 508-393-3055; M-F 7am - 3:30pm.

Toilets

- **Atlas Recycling** - Monthly curbside pickup. Pick-up is every third Saturday year-round, depending on holidays. Fee: \$30 per item, cash or check only; signup/stickers available from the Westford Town Clerk's office.

Tyvek Mailing Envelopes

Tyvek mailing envelopes are made from #2 plastics, but they cannot go into curbside recycling. No local recycling program is available. Must be placed in normal trash. How to distinguish Tyvek envelopes from paper: Tyvek envelopes are as thin as paper, usually white, with a soapy smooth rice paper-like finish. They are identifiable because they are almost completely indestructible. Often the envelope will say Tyvek or #2 plastics (but not always).

Umbrellas

Umbrellas cannot go in curbside recycling. Remove the fabric and bring the metal frame to a steel recycler (see **Metals**).

Some umbrella manufacturers have a lifetime warranty against defects and may support mailing umbrella's back for a small postage fee for replacement. One example is Totes; refer to the Totes' [warranty page](#) for details. For other major brands, check their websites for warranty policies.

Vinyl LP Records

Usable - Sell or Donate. There are local vendors such as [The Vinyl Vault](#) in Littleton who may offer you money for your collection. For options on donating your records, refer to the Books section above. Unusable vinyl records cannot be recycled curbside. Place in the trash.

Yard Equipment

Includes: Gasoline powered - chain saws, small riding mowers, snowblowers. (Remove gas and oil before recycling the item)

- **Atlas Recycling** - Monthly curbside pickup. Pick-up is every third
