## How to Recycle Most Everything

Printer-Friendly Version (revised July 2021)

In addition to the Westford Curbside Recycling program provided to Westford residents, the Westford Recycling Commission has developed this document to list items that cannot be recycled curbside and where we want to provide an alternative to placing items in the trash.

The list of "other ways and methods" to "recycle and reuse" items that should be handled and disposed of properly and/or provided for other uses is listed in alphabetical order. These items are not included in the Westford Curbside Recycling program and please do not leave these items out for curbside recycling pickup. See the Westford Curbside Recycling page (by clicking [HERE](#)) for items that can be left out for the curbside recycling program and follow the recommendations listed below, to keep unnecessary items out of the waste stream and utilize "best-practices or green" methods of disposal.

The Massachusetts Department of Environmental Protection offers additional recycling ideas through their Recyclopedia page accessible at [recyclesmartma.org](http://recyclesmartma.org).

We appreciate your support; your thoughts, comments, suggestions are welcome by e-mails us at [recycling@westfordma.gov](mailto:recycling@westfordma.gov)

Please Note: The companies and services listed here are for reference only and are not specifically endorsed by the Westford Recycling Commission.

**In some cases, drop-off is by appointment only. Please call the organization or company for up-to-date information before you recycle your items.**

## Eyeglasses

Old eyeglasses are collected for reuse by needy individuals. Eyeglasses are cleaned, repaired, and measured to determine prescription. Available glasses are cataloged in a computer database, and matched to people with need. Many of the glasses are sent to other countries, as US laws make it difficult to re-dispense a prescription product.

- **The Lions Club** - Operates the largest program, collecting glasses from thousands of opticians and multiple drop-off locations; <http://www.lionsclubs.org>

Local eyeglass drop-off sites include:

- **Family Eye Care Center and Optical Gallery** - 5 Cornerstone Square, Westford.
- **Nabs One Stop Shop** - 60 Brookside Road, Westford.
- **LensCrafters** - Burlington and Pheasant Lane Malls.
- **Lexington Eye Associates** - 133 Littleton Rd.-Suite 305, Westford; 781-876-2020.

## Fire Extinguishers

Good quality fire extinguishers (mostly made of metal) can be recharged. Companies providing this service can be found by doing a web search for "Fire Extinguisher Recharging".

Low cost extinguishers made of plastic or aluminum typically cannot be recharged. Class A (contains mono-ammonium phosphate) and class B (contains sodium bicarbonate) can be safely discharged outdoors. Discharge away from people, pets, and grass; aim low; sweep from side to side. Goggles and dust masks are recommended. Once the plastic or aluminum extinguisher has been discharged, discard in the trash or, save for Electronics Collection (see **Electronics**).

## Fluorescent and Compact Fluorescent (CF) Bulbs

Fluorescent bulbs contain mercury and should not be disposed of with the regular trash. Residents may recycle straight (contact store for length restrictions), U-shaped, round, and compact fluorescent bulbs at the following locations:

- **Ace Hardware** - 527 Groton Rd (Route 40); 978-692-0774.
- **MacKay Ace Hardware** - 224 Littleton Rd.
- **Lowes** - 50 Lowes Way, Lowell, MA 01851 (978) 677-5679. Accepts expired (but not broken) compact fluorescent bulbs in plastic bags at

Latex paint is not considered hazardous waste. Let latex paint dry out or use newspaper, kitty litter, or purchase "Waste Paint Hardener" to absorb liquid, then put in the regular trash. Paint hardener is sold at hardware stores, big-box hardware stores and paint stores. Better yet, buy only enough paint to complete a project.

## Lawn Mowers (see Yard Equipment)

## Leaves & Grass Clippings (Yard Waste)

**Westford Yard Waste Collection in the Spring & Fall: Please see our website for events and schedules.**

To register for a pickup, please call the Westford Town Clerk's office at [978-692-5515](tel:978-692-5515). Place your leaves, grass clippings and pine needles into brown paper leaf bags and have them at the curb by 7am on those days. Leaves will not be picked up if they are not in brown paper leaf bags. You pay Acme directly by

# WESTFORD RECYCLING COMMISSION

55 MAIN STREET, WESTFORD, MA 01886  
WWW.WESTFORDMA.GOV/RECYCLING

attaching a check payable to Acme Waste Systems to one of your leaf bags on the collection day. There must be a minimum of 50 resident requests to insure the yard waste collection is held. Please tell your neighbors!

- Please Note: Leaves may not be burned. Use mulching mower for light leaf cover that produces clippings that will decompose and fertilize the lawn.
- Use clippings and leaves as mulch around trees and shrubs. Leaves are nature's own choice for mulch. Many web sites offer tips on how to use clippings as mulch.
- Compost leaves and grass clippings. The resulting compost can be used to fertilize trees, shrubs and gardens. Discounted compost bins are available from a Recycling Commission member (978-692-5483). Search for the Mass DEP Composting page for more information; <http://www.mass.gov/dep>.

- **Electronic type** – Recycle at Westford's "Electronics & More Collection" events which take place twice a year. Please see our website for the schedule and details.

## Tires

- Check with tire installer/vendor about recycling policy when replacing or purchasing new tires. This is the best time to recycle.
- **Sullivan Tires**, 426 Littleton Rd, Westford, MA, (978) 486-4351, \$4/ tire if not on the rim, \$9/tire if still on the rim
- **Central Massachusetts Mosquito Control Project**: In recognition of Earth Day 2010, a tire collection and recycling program has been launched as a value-added service to member communities. This "source reduction" technique of the Integrated Pest Management Program (IPM) aims to reduce breeding habitats for mosquitoes, prevent the transport of eggs/larvae/pupae, and impede the potential introduction of species into new areas. Tires accepted for this program will be sent to an approved facility for recycling or disposal at no additional cost to residents or member cities or towns. For the latest information

## Tyvek Mailing Envelopes

Tyvek mailing envelopes are made from #2 plastic, but they cannot go in curbside recycling. No local recycling program is available. Must be placed in normal trash. How to distinguish Tyvek envelopes from paper: Tyvek envelopes are as thin as paper, usually white, with a soapy smooth rice paper-like finish. They are identifiable because they are almost completely indestructible. Often the envelope will say Tyvek or #2 plastic (but not always).

## Umbrellas

Umbrellas cannot go in curbside recycling. Remove the fabric and bring the metal frame to a steel recycler (see **Metals**).

Some umbrella manufacturers have a lifetime warranty against defects and may support mailing back for a small postage fee for replacement. One example is totes; refer to the totes' [warranty page](#) for details. For other major brands, check their websites for warranty policies.

## Vinyl LP Records

Usable - Sell or Donate. There are local vendors such as The Vinyl Vault in Littleton who may offer you money for your collection. For options on donating your records, refer to the Books section above.

Unusable vinyl records cannot be recycled curbside. Place in the trash..
