Summer Weekly Programs 2021

Lots of excitement at Kids Club, Nabnasset School

Parks & Rec's **Summer Weekly programs** are packed with activities designed for each program's mission and age group. Led by the Site Directors who run our popular after school enrichment program (WPC), these lively, full-week programs are staffed with energetic counselors – high school and college aged – who are First Aid and CPR certified.

Summer Beach Party at Destination Exploration, EBC

Program coverage at East Boston Camps during the first and last two weeks of summer. For ages 4-13.

Kids Club at the Nabnasset School

Fast-paced, fun-filled activities in a perfect summer setting, both inside and outdoors. (Swim lesson options!) For ages 4-13.

Destination Exploration (D.E.)

Classic summertime activities in a classic summertime setting at East Boston Camps (EBC). For ages 7-13.

Full-day, full-week or partial week, early arrival, and extended day options!

Last year's Parks & Rec summer programming required a flexible and creative approach to properly align with the state and local health and safety guidelines driven by COVID 19. Our efforts resulted in a safe and engaging program - masks and all! For more information about our safety guidelines, see Parks & Rec's Summer Parent Handbook.
